

# PRADNYA KSHIRSAGAR

Software Engineer

praduvk252@gmail.com | +91 9881526953 | [GitHub](#) | Pune, India

## SUMMARY

Software developer with 1.4 years' experience in scalable microservices, REST APIs, and Spring Boot development. Proficient in MySQL, AWS, and performance tuning. Adept at debugging, secure coding, and delivering high-quality solutions in Agile environments.

## SKILLS

Languages:	Java, HTML, CSS, JavaScript
Frameworks / Libraries:	Spring Boot, Spring JDBC
Others:	Microservices, REST APIs, MySQL (RDS), Git, Bitbucket, Maven, Tomcat, AWS (EC2, RDS, Secret Manager), JUnit, Mockito, Eclipse, ActiveMQ, Agile (Scrum), Jira, Logging and Debugging, GSON, Lombok, Performance Tuning, Design Patterns, Data Structures, CI/CD

## WORK EXPERIENCE

### Hulkhire Tech | Java Developer

Feb 2025 - Aug 2025

- Developed real-time transaction monitoring & alerting systems, reducing error resolution time by 40%.
- Built monitoring and notification systems for payment transactions and error handling in a microservice environment.

### Health Plus Technologies | Software Developer

May 2024 - Dec 2024

- Worked in Agile sprints with cross-functional teams to deliver logistics features, reducing delivery time by 30%.
- Integrated APIs and dashboards for tracking shipments, improving real-time monitoring.

## PROJECT

### Stripe Payment Integration

- Built and deployed a secure Stripe payment system using Java, Spring Boot, Microservices, MySQL, AWS, and ActiveMQ.
- Managed end-to-end API integration, payment status tracking, notifications, and exception handling in an Agile environment.

### Core Payment Integration System (Trustly)

- Designed and implemented a secure payment solution with Java, Spring Boot, MySQL, AWS, and Redis.
- Developed validation framework, API connectivity transaction monitoring, and exception management in an Agile setup.

## EDUCATION

### Master of Computer Applications

Savitribai Phule Pune University, Pune

🎓 2023

CGPA: 7.71

## CERTIFICATIONS

- Java Development from Dream Technology
